### CHOOSE A FLAVOUR

#### HARIYALI

A refreshing and feel-good blend of spinach, coriander, mint and green chilli finished off in a thick cream.

#### DOPIAZA

An aromatic onion sauce spiced with a Bangladeshi blend of spices, finished off with a sprinkle of crispy fried onions.

#### BHUNA

Sauce is simmered until thick and almost reduced, finished with chunks of fresh tomato. We love this one!

#### PALAK

A subtly spiced sauce with sautéed ginger and garlic finished off with our house spinach.

#### ROGAN JOSH

An elaborate dish with layers of flavour from caramelised onion, garlic and ginger base finished with a spicy tomato topping.

#### DHANSAK

A royal delicately spiced, simmered lentil sauce finished off with a squeeze of lemon. Sweet and Sour.

#### JALFREZI

Our take on this Bangladeshi classic is a winner with a refined blend of spices and addition of red and green peppers.

#### MADRAS

Fiery with chef's blend of chillies, smokey with Moroccan Harissa and rich with tomato.

### BABUL'S KORMA

Chicken Korma 2.0. Dairy-free edition! Very little heat but heaps of flavour, with lashings of dairy-free creamy coconutty richness. Did we mention it's dairy-free?

### BABUL'S MASALA

Here we pay homage to the nation's favourite chicken tikka dish - rich, creamy, mildly spiced but oh so humble. Btw it's not red #justsaying

Things have started to become more intense. Perfect for those who are still on the fence.

### MEDIUM

Good balance of flavour and a little heat, great for those finding their feet.

### VERY MILD

A mix of sugar & spice makes it creamy and nice.
